

COMPUTER PROFESSIONALS (REGISTRATION COUNCIL OF NIGERIA)

(Established by Act No. 49 of 1993)

**THE CPN PROFESSIONAL CERTIFICATE EXAMINATION
OCTOBER 2019 DIET EXAMINATION TIME TABLE**

21st - 24th October , 2019

DATE	LEVEL	MORNING SESSION (9-12noon)		AFTERNOON SESSION (2-5pm)	
		COURSE CODE	COURSE TITLE	COURSE CODE	COURSE TITLE
MONDAY 21-10-19	PRE-PROFESSIONAL LEVEL	CLC 111	Computer Hardware Systems and Internet Basics	CLC 112	Computer Software Packages, using MS Office or Open Office Suite
		CLC 1210	Business Information Technology	CLC 1211	Multimedia Document Production and Computer Graphics
		CLC 1221	Computer Graphics Fundamentals	CLC 1222	Designing with Raster and Vector Graphic Software
		CLC 131	Web Graphics	CLC 1232	Web Programming
		CLC 1241	Computer Aided Drafting	CLC 1242	Working with CAD Software
		CLC 1251	Programming with Basics	CLC 1252	Programming with C++
		CFC 2110	Basic Computing Concepts	CFC 2120	Principles of Programmin/System Analysis and Design
		CFC2210	Management Information Systems	CFC 2220	Introduction to Programming Languages & Database
		PROFESSIONAL LEVEL	CIS 3101	Management Information Systems (MIS)/ Business Systems Analysis	MMT 3101
	CCC 3301		Evolving Information Technologies	CIS 3202	Information and Content Management
	MMT 3205		Web Technologies	CCC 3302	IT Project Management
	CEN 3202		Data Communication & Computer Networks	CIS 3102	Information Technology Planning
	CEN 3201		VLSI Systems Design	TNS 3201	Network Security Technologies & Implementation
	CPE 201		Computer Electronics II	CEN 3202	Microprocessors and Microcontrollers
	CPE 301		Evolving Information Technologies	SEN 3201	Systems Building
				SEN 3102	Basic Programming Techniques
				CEN 3101	Computer Electronics 1
				MMT 3105	Information and Content Management
				MMT 3201	Digital Media Production
			SEN 3102	Computer Programming	

TUESDAY 22-10-19	PRE-PROFESSIONAL LEVEL	CLC 1212	Business Data Handling and Processing	CLC 1283	Protection of Information Assets
		CFC 2130	Operating Systems	CFC 2140	Data Structures and Algorithm
		CLC 1261	Computer Hardware and Operating Systems	CLC 1262	Preventive Maintenance and Troubleshooting of PC's
		CLC 1271	Networking Basics	CLC 1272	Network Operations
		CFC 2230	Computer Architecture	CFC 2240	Multimedia Programming Digital Film Animation
	PROFESSIONAL LEVEL	MMT 3102	Digital Media, Computing and Programming	CIS 3201	Information Systems Development
		SEN 3101	Operating Systems	CIS 3103	Computer Systems and Internet Technologies
		CIS 3203	Web Database Application	SEN 3203	Database Applications Technologies
		CIS 3104	Computer Programming	CIS 3301	Database Management & Administration
		SEN 3202	Operations Research/Quantitative Techniques in Business	CEN 3204	Mobile Devices and Applications
		MMT 3301	e-Business Strategy	CEN 3102	Computer Systems Architectures
		SEN 3301	Database Engineering	TNS 3203	Computer Forensics
		TNS 3202	Network Design and Implementation	MMT 3103	Digital Media Foundations
		CEN 3203	Advanced Computer System Repairs and Maintenance	CEN 3301	Digital Systems Testing and Testable Design
		THN 3202	Network Design and Implementation	MMT 3302	Multimedia Television
MMT 3203	Design for Moving Image	TNS 3301	Computer Forensics 2		
CPE 202	Data Communication & Networks				
CPE 302	Advanced Object Oriented Program				
Wednesday 23-10-19	PRE-PROFESSIONAL LEVEL	CLC 1281	The Process of Auditing Information Systems	CLC 1282	Information Systems Operations, Maintenance and Support
		CFC 2150	Multimedia Techniques	CFC 2160	Digital Electronics/Basic Hardware Maintenance
		CFC 2250	Network Technologies/Security	CFC 2260	Entrepreneurship Development
	PROFESSIONAL LEVEL	CEN 3302	Artificial Intelligence and Robotics	CEN 3103	Network Technologies
		SEN 3302	Programming Distributed Components	MMT 3202	User Interface Design
				TNS 3205	MPLS and Carrier Networks
		CIS 3105	Database Techniques	SEN 3104	Analytical Methods for Computing
		SEN 3103	High Level Programming Languages	MMT 3105	Information and Content Management
		CIS 3204	Information Analysis/Information Requirement Analysis	SEN 3205	Advanced Computer Simulation & Modelling
		SEN 3204	Business Systems Applications	CIS 3303	Data Warehousing
		CIS 3302	IS Development, Frameworks and Methods	TNS 3302	Network Management
		TNS 3101	Introduction to Telecommunications	SEN 3303	Software engineering Management and Practice
		CEN 3101	Digital Electronic and Logic Design	MMT 3304	Enterprise Web Software Development
		MMT 3204	Computer and Music / Sound design		
		MMT 3303	Advanced Modelling and Character Animation		
TNS 3204	Wireless Communication				
CPE 203	Knowledge Engineering				
CPE 303	Advance Simulation & Comp.Mode				

THURSDAY 24-10-19	PRE PROFESSIONAL LEVEL	CFC 2170	Network Design Topology and Protocol	CFC 2270	Computer and Society, Code of Ethics and Professional Conduct
	PROFESSIONAL LEVEL	TNS 3102	Introduction to Network Security	SEN 3207	Application Development for Mobile Devices
		SEN 3206	Algorithms & Design	MMT 3104	Interaction Design
		MMT 3206	Web Applications Development	SEN 3105	Logical Foundations/ Embedded Systems Development
		CEN 3205	Computer Electronics II/ Embedded Systems Development		
		CPE 204	SYSTEM PROGRAMMING II	CPE 205	Management of Information Technology
